A journey to remember

The traveler of today is a complex phenomenon, very unlike the traveler of say a decade ago. The new, smart traveler is a lot younger and a lot older. He is the one bringing in a whole wave of new expectations and changing the way journeys are experienced.

Presenting a world of unique experiences to the new age traveler is our exclusive inbound division, Arabian Experience.

Arabian Experience is your unforgettable ticket to an exotic destination, to a world as rich and ancient as it is new and glitzy - rolling desert, bustling souk, engineering marvel, shoppers' paradise, culinary hotspot or an adventure escapade. A fascinating journey into the land and its culture and everything that makes it the unique destination that it is.

GCC

A growing tourist destination, the GCC countries form part of the fascinating Arabian Peninsula. The only island country, Bahrain, drifted long ago from the Arabian Peninsula and today offers a unique ambience and has an avid pearl diving culture.

Get a good dose of hospitality and local culture in Kuwait or simply choose to go exploring Saudi Arabia and its ancient towns,

the country that saw the beginning of many civilizations!

If it is Qatar on your mind then let it be the sheer adventure of desert and dune rides. And the Sultanate of Oman with its mountains, valleys and beaches, has some of the world's finest diving spots.

It's just the beginning of your myriad journeys.

Sultanate of Oman

With its rich heritage and embracing society, Oman boasts of a strong sense of identity, a pride in an ancient, frankincense-trading past. The Babylonians and the Assyrians settled in Oman because they wanted to control the trade route that linked Asia to the shores of the Mediterranean Sea.

Oman offers a rare chance to engage with the Arab world without the distorting lens of excessive wealth. Oman's low-rise towns retain their traditional charms and Bedouin values remain at the heart of an Omani welcome.

With an abundance of natural beauty, from spectacular mountains, wind-blown deserts and a pristine coastline, the Sultanate is the obvious choice for those seeking out the modern face of Arabia while wanting still to sense its ancient soul.

The UAE

One of the globe's hottest tourist destinations, UAE is spread out over desert and coastland and comprises of the seven emirates. A fascinating combination of the ultra modern and the ancient, the modern buzz co-existing with the untouched desert, the amazing beaches and the thriving cities, a time-honored culture and unforgettable holidays!

Ranked as one of the top cities for the quality of life, Abu Dhabi is a city with a proud heritage and a vibrant hub of adventure. Dubai being the city of possibilities is a destination that simply bedazzles visitors with its myriad attractions. While the Northern Emirates allure you with their pearl white beaches, a plethora of cultural experiences, spectacular architecture and its great outdoors, not to mention jewels like Ras Al Khaimah and Fujairah, the only emirate that faces the Gulf of Oman,

Yes, it's time to say hello!
